

## Important Message-

South Lake Pediatrics is excited to announce that we are transitioning to a new computer system. This system will provide you better access to your child's health records and enhanced communication.

Therefore, **effective 5 pm Friday, December 9<sup>th</sup>, South Lake Pediatrics Online Services** will be temporarily **under construction** and inaccessible.

We will send a notification when our Online Services are available. Please call our office at 952-401-8300 to make any appointments between the hours of 7:30 am-5 pm. Please call Patient Account Services at 952-401-8282 between the hours of 8 am-5 pm to make any payments. We appreciate your patience during this period of change.
