Oral dexamethasone .25mg	\$1.00	N/A	\$0.00	\$0.06	

*Coding standards and associated charge and reimbursement values may vary based on complexity of a visit (visit level) and whether a patient is a new or existing patient. A **new patient** has not received professional services from a provider in the same specialty and in the same group practice within the previous three years. An **established patient** has received professional services from a provider in the same specialty and in the same group practice within the previous three years.

This is not a comprehensive list of services provided by our clinic.

These charges are meant to be informative and do not reflect the amount you may owe for you or your child's care.

Individual health plans have negotiated rates with our clinic.
